

## Santa Clara County School Nurse Coordinators Meeting 12/4/18

- Western Dental Presentation:
  - Offering \$500/school “Smiles for Schools” Program. Schools can get funds if they partner with Western Dental and invite Western dental to a school event to talk about their program.
  - Western Dental is a for-profit agencies aligned to the Children’s Dental Place
  - Western Dental accepts Medi-Cal, offers orthodontics. Uninsured students can pay \$130/year and get 40-60% of their fees paid and get a set of xrays and cleaning at no additional charge.
  - Locations: Sunnyvale and King Road.
  - Interested districts will need to provide a W9.
  - Dagmar has packets.
  - There was discussion after the meeting about Western Dental being a for-profit agency and using schools for advertising. Discussion about not promoting one dental agency over another.
- Avi-Q stock epinephrine
  - Monica asked for more information about the Avi-Q stock epinephrine program .
  - Julie explained the Avi-Q program is for elementary and MS. Schools need to identify an allergist (Dr. Goldsobel) and Avi-Q contacts the doc. Took only a couple of weeks to get Avi-Q product. Questions? Contact Julie at [nurse@bullischarterchool.com](mailto:nurse@bullischarterchool.com)
- Rat bite
  - Dagmar shared story about rat bite at school. Learned rats are not tested for rabies.
- Glasses
  - Discussion about where to get low cost/free glasses.
    - Walmart. Store may provide vouchers for free exam and glasses. May charge \$49 for glasses.
    - America’s best offers \$50 glasses and free exam. Nurse picks up vouchers.
- Disaster Bags
  - Question about who coordinates school disaster bags. Several nurses reported they maintain bags, but most not involved. . San Jose Unified- Risk Management in charge of bags. Most schools report the PTA at schools pays for supplies.
