

Coordinator Meeting Minutes
February 28, 2019

Topics of Discussion:

- Prescription Buccal or oral Clonidine for seizures – If ordered check with your district attorney - if approved UAP can be trained for procedure.
- Home Hospital/Home Teaching paperwork – If your district has a protocol or a referral form that you can share – please send to Dagmar so she can share with the group. Best to have a point person who is the case manager and monitors the process.
- Bay Area Clinical Associates (BACA) - this is an intensive out patient program that is not covered by Medi-Cal - very expensive \$900/day for an 8 - week program.
- Discussion about Mary Wright's email regarding management at after school and school sponsored events. - If you have and overnight field trip documents and or checklists please share with the group.
- Discussion about highlights from the CSNO conference - preconference was valuable and mental health sessions were good. Other breakouts mentioned were: Stop the Bleed and Using LVNs as Health Clerks.
